

Faith Based Business

Course Overview

This course equips aspiring and established entrepreneurs to build businesses that honor God while operating with excellence, integrity, and purpose. Participants will learn biblical principles alongside practical business strategies for launching, leading, and sustaining a successful business.

Course Learning Outcomes

- Develop a biblical foundation for business leadership.
- Clarify purpose, vision, and mission.
- Select an appropriate business structure.
- Understand taxpayer responsibilities and basic compliance.
- Build simple business systems and workflows.
- Apply biblical ethics to decision-making and customer service.
- Create an action plan for sustainable growth and Kingdom impact.
